

## **Confirmation of Understanding and Conditional Payment**

Dear Wasi,

This document serves to confirm the following matters regarding this case and to record your agreement to the terms set forth below.

### **1. Work Performance and Our Determination**

With respect to this engagement, we conducted a comprehensive review of the preparation of props and wardrobe, on-site conduct, and time management. Based on this review, we determined that there were serious issues in the performance of the work.

You acknowledge and understand our determination, as well as the fact that additional actions and costs were incurred by us as a result of this determination, and you agree not to dispute or object to the same.

### **2. Impact on Operations and Resulting Consequences**

Based on our determination, certain tasks that were originally assigned to you were handled by a third party (PA) as a substitute measure.

As a result, additional labor costs and other actual damages were incurred by us. You acknowledge and understand that these measures were taken as part of our business judgment and agree not to dispute or object.

### **3. External Statements and Impact on Trust**

In connection with this matter, we determined that certain statements or actions made by you toward third parties had an impact on our business and on the trust placed in us and in our representative.

You acknowledge and understand our determination and agree that you will not make any statements or take any actions that contradict or undermine this determination going forward.

### **4. Prior Work History**

In reaching our final decision and response in this matter, we took into account the history and issues arising from prior engagements.

You acknowledge and understand that this decision is based on our sole discretion and judgment, and you agree not to dispute or object.

### **5. Advance Payment, Losses, and Basis for Payment**

You acknowledge that you were already paid more than half of the agreed fee in advance.

While a remaining balance existed, additional losses were incurred by us due to issues in your performance, including lateness and the fact that a third party (Angeli) was required to take over and cover responsibilities originally assigned to you.

Based on our assessment, the remaining balance would ordinarily have been offset against the losses we incurred.

Nevertheless, solely for the purpose of resolving this matter and avoiding further dispute, we are prepared to proceed with payment on an exceptional and final basis. This payment is made in good faith and does not constitute an admission of fault, liability, or responsibility on our part.

## 6. Future Conduct and Legal Action

If, in the future, we determine that any statements or actions, whether factual or not, constitute defamation, damage to reputation, or otherwise inappropriate conduct toward us or any related parties, we may take all necessary and appropriate measures, including legal action.

You acknowledge and understand this in advance and agree not to dispute or object.

## 7. Payment

Only upon your full understanding of and clear agreement to all of the above terms, evidenced by your signature below or by a written or electronic acknowledgment, will we proceed with payment of any outstanding balance related to this matter.

Nothing in this document shall be deemed to constitute a waiver of any rights, including claims for damages, that we may have.
